With these powerful extractors, you can tackle any tough carpet cleaning job with a no-worry attitude! Dirt, grime, grease, stains – they're no match for the Hawk Preferred Extractor. Easy to use wherever there's carpet – offices, schools, airport lounges, restaurants, medical buildings, hospitals, manufacturing plants, retail stores and malls.

# Hawk Preferred Extractors

Stainless steel lid for long life and resistance to chemicals.

Molded stationary handle for strength and stability.

Roto-molded polyethylene tanks for rugged durability.

Ergonomically placed waist high switches for operator ease.

12" non-marking rear wheels and 4" casters for better, easier maneuverability.

The large capacity of these machines mean large areas of cleaning without interruptions to empty and refill. Ergonomically designed operating controls and large wheels and casters make these super stars easy for anyone to do a super clean up job. Count on Hawk every time for the right machines for every cleaning situation.
