

HAWK
FloorCare

**Versatile,
Powerful,
and
Built to
Last!**

Industrial self-contained extractors with rugged cleaning power inject solution deep into carpet fibers, gently agitate to loosen soil, and then powerfully vacuum up all dirt and debris leaving carpet nearly dry. Great cleaning power for restaurants, offices, retail stores, lounges, any carpet or upholstery cleaning need!

Hawk Preferred Self-Contained Extractors

These powerful performers are easy to maneuver and clean carpets thoroughly with a minimum of operator effort. The 14" 4-gallon model is perfect in tight areas such as hotel rooms, classrooms and offices. The 16" model allows more effective cleaning in larger, more open areas, and total drying time with these machines averages less than three hours. Hawk self-contained extractors are also easy to service because they're built with simple reliable components. Quick disconnect fittings make it easy to adapt to any situation with the optional upholstery tool and stand-up wand, and longer hose sets are available. Lightweight compared to others' models, these extractors deliver more in every way.

Features

- Easy-to-empty feature eliminates operator strain.
- Aggressive action with durable nylon brush.
- 16" machine features dual cleaning nozzles.
- Multiple jet solution spray for deep cleaning.

Technical Specifications – Self-Contained Extractors

| Model # | Part # | Power Supply | Solution Tank | Recovery Tank | Solution Pump | Brush Motor | Brush | Vac Motor | Power Cord | Weight/Ship Wt. |
|-----------|---------|---------------|---------------|---------------|---------------|-------------|---------------------------|--|----------------|---------------------|
| Vactor 14 | EXT0014 | 115V 60 Hz | 4.0 gal. | 4.0 gal. | 45 psi | 1/8 hp | 3-1/2" dia. 11" L. | 2-stage bypass, tangential sealed, 101 CFM | 35' 14-3SJT | 55 lbs./ 65 lbs. |
| Vactor 16 | EXT0016 | 115V 60 Hz | 7.0 gal. | 7.0 gal. | 100 psi | 1/8 hp | 3-1/2" dia. 12-1/2" L. | 3-stage bypass, tangential sealed, 101 CFM | 35' 14-3SJT | 87 lbs./ 98 lbs. |

The Mini-Vactor Heated Extractor-Spotter

Durable roto-molded tank has a lifetime warranty

Large caster wheels make maneuverability easy and smooth

Easy to use anywhere because it's designed to operate on a standard 15 amp/120V circuit

It's THE hot-water-spotter for cleaning commercial and household carpet, auto detailing, upholstery and for spot cleaning in a hurry. The Mini-Vactor actually heats the water to over 200 degrees for faster, easier cleaning. Deep solution injection and thorough water and dirt removal – it's ideal for all small jobs and touch ups. It can also be used with the upholstery tool as a stand-up extraction wand. Comes complete with 15' vac hose and upholstery tool.

| Model # | Part # | Power Supply | Solution Tank | Recovery Tank | Solution Pump | Vac Motor | Water Lift | Power Cord | Weight | Shipping Weight |
