

HAWK
FloorCare

**Affordable.
Durable.
Extremely
Versatile.**

Hawk Wet/Dry Tank Vacs are extremely affordable, highly durable, and easy to maneuver. They're also extremely versatile, ideal for both wet and dry vacuuming.

Hawk Preferred Wet/Dry Tank Vacs

HVWD10-85

HVWD15-105

HVWD10-85 & HVWD15-105 feature non-corrosive chrome-plated steel head and poly tanks for ease of cleaning and durability.

Non-marking wheels and casters for worry free cleaning in close quarters – leave no wheel marks when stripping floors. Large wheels and casters make machines easy to maneuver.

HV12WD & HV20WD-TP are constructed of tough polyethylene for years of durability.

HV12WD

HV20WD-TP

HV20WD-TP shown with optional front-mount squeegee.

Built for years of trouble-free service, these machines really clean up when it comes to value! Another plus - a large selection of tools and attachments is included with each model to fit every job requirement. Use them anywhere there's clean up work to be done.

Features

- Heavy duty bypass vacuum motor.
- Automatic liquid shut-off prevents motor flooding with foam and/or solution.
- All models have acid and mildew resistant non-pleated synthetic high efficiency filters for extra value and longer life.
- HVWD10-85 & HVWD15-105 have disposable paper filter bags for easy clean up.
- Complete wet + dry tool kits included.
